

## **GOLDFIELDS SHOWGROUNDS – 600 CLUB**

The Showgrounds Committee has used the 600 Club as a major fundraiser since taking over the running of the Grounds. I think you will agree that they are at present in immaculate condition, but we need funds to continue our work. This is of benefit to breed and working disciplines exhibitors, trainers, trainees, dog walkers, show-holding clubs for shows, seminars, meetings, etc., etc., - in fact anyone using the Goldfields Showgrounds,

The Goldfields Showgrounds does not have regular sponsors and we need to raise funds in order to keep the Showgrounds operational. It costs R 35 000 per month to pay basic costs for diesel, electricity, water, wages, toilet cleaning materials, toilet rolls, refuse removal, insurance, security, machinery maintenance, etc. For any extra requirements on the Showgrounds, we need to find further ways to finance the expenditure.
